Write it out and I will give it to the atty to look over. Write out the pay out percentages before and after the franchise is completed. Wrote out that I agreed to pay you before collecting from the attys (your clients) and I will take back my 20 percent upon them making their payments. PYroll is every 15 th and end of month. Also add you will be assisting in administrative duties as well as doing imes. Etc.... Whatever else needs to be added.
